

Dear Fellow Fallen Alders Members,

Another year has come and gone. Our AGM is scheduled for **May 7th, 2026 at 6:30 pm** and we hope to see a good turnout of members.

Over the past year we have seen hall use increase to a new level and bookings for the upcoming months are starting to come in, which is reflected in the hall's operating revenue.

We have kept our prices fair and competitive to encourage the community to make use of the hall and grounds. Improvements to the building, as well as major structural repairs were completed this year. We were disappointed that we were not able to fulfill the hall's goal of providing more community inspired events for families in the area.

Our board and executive are small in numbers, opportunities to do any planning, had to be limited to maintain the upkeep and running of the hall.

The positions of President, Secretary and Treasurer will all need to be filled at this upcoming meeting. The people in these positions have done the job for many years and now need to take a step back. It may well become a crisis situation, if no one is willing to step forward and replace them. We are hoping for a good show of support on May 7th, and that members will be willing to fill the various board positions in order to see the hall endure and prosper in the coming year.
